AGENDA ITEM # **14**

COOPERATIVE AGREEMENT WITH CALTRANS FOR ENHANCED FREEWAY SERVICE PATROL OPERATIONS ASSOCIATED WITH THE INTERSTATE 5 REHABILITATION PROJECT IN DOWNTOWN SACRAMENTO

Action Requested: Authorize Executive Director

Key Staff: Norman Hom, Associate Planner

Recommendation

Authorize the Executive Director to execute the attached Cooperative Agreement with Caltrans.

Discussion

The Transportation Management Program for Caltrans' I-5 "Boat Section" Rehabilitation Project calls for the deployment of enhanced Freeway Service Patrol (FSP) operations to help minimize traffic impacts during the construction phase of the project. The attached Cooperative Agreement between the STA and Caltrans allows Caltrans to make provision for that service through a contract STA already has in place with the tow provider as part of the normal FSP program. The Agreement provides for the full reimbursement of costs to the STA for the enhanced FSP service, including STA administration.

The Agreement has been reviewed by both Caltrans and STA legal counsel.
