**AGENDA ITEM # 2**

**CONTRACT EXTENSION FOR FREEWAY SERVICE PATROL BEATS 3 AND 4**

**Action Requested:** Approve Contract Extension

**Key Staff:** Norman Hom, FSP Program Manager

---

**Recommendation**

Authorize the Executive Director to execute a one-year extension to the attached contract for Freeway Service Patrol operations.

**Discussion**

In May 2007, the STA entered into Contract #07-FSP-01 with Sierra Hart Auto Center for the provision of motorist assistance services on Sacramento Metropolitan Freeway Service Patrol Beats 3 (Highway 50 between Interstate 5 and Bradshaw Road) and 4 (Highway 50 between Bradshaw Road and Scott Road) for the period July 1, 2007 to June 30, 2010. The terms of the contract provide for "a 1-year extension based on satisfactory performance of the contract services."

The California Highway Patrol's FSP field supervisors and STA staff agree that Sierra Hart's performance on the contract has been excellent. We therefore recommend that your Board authorize the Executive Director to execute the attached contract amendment extending the period of performance one year to June 30, 2011.
