Thank you Exec Director Kemp for guiding this Board thru Measure A tax measure . Thank you for seeking a replacement ? I will ask will this board seek a process to how we get Roads repaired and a better Transist system. Last time was 2016 to get to 2020 . So maybe we get a study commissioned about How? . Next we start a Education process in Galt and Sue Frost District about equity and needs of Sac region Urbanban and Rural have very different needs they need to be addressed. Parsel,Bond,Regional , Sales didn't work.
