LEVERAGING MEASURE A TO INCREASE MOBILITY

A NEW INNOVATION: MOVING YOUTH TO JOBS

MOVING YOUTH TO JOBS TRAVEL TRAINING

Paratransit Inc.'s Moving Youth to Jobs Travel Training program is intended as an opportunity for youth and young adults to be able to navigate public transportation systems independently. By acquiring specific travel mobility skills, young adults will be empowered to travel efficiently and arrive to work on time. This program affords youth an opportunity to utilize public transit and other modes of transport to reach destinations of their choice.

MOBILITY TRAINING DEPARTMENT

Paratransit Inc. has provided Travel Training since 1982. More than 15,000 people have increased their independence as a direct result of the program.

Many of our travel training services are underwritten by grants and generous contributions of our supporters. This program is funded by Sacramento Transit Authority's voter approved Measure A and provides service to young adults ages 16-24 throughout all of Sacramento County.

TRAVEL TRAINING BENEFITS

You'll Learn How To:

- Trip planning and time management
- Gain an understanding of the Regional transit systems and other transit districts
- Learn how to travel using Jump Bike, Smart Ride and downloadable transit applications
- Effective communication with public transit drivers and customer service

MOVING YOUTH TO JOBS TRAVEL TRAINING PROGRAM

This information was prepared by Paratransit Inc. to provide assistance to youth and young adults participating in the Moving Youth to Jobs Project.

A NEW INNOVATION: MOVING YOUTH TO JOBS

- FY 19 saw outreach to over 550 youth with nearly 100 youth receiving one on one training
- Expanding our partnerships to include non-profits in Districts 7,8 and 9 who work with youth
- New partnerships mean more students trained, increased connectivity, expanding partnerships and new employment referral sources

ADDITIONAL NEEDS: WHAT IS NEXT?

- Expansion of CTSA Community Partner Services to manage ADA demand as the population of Sacramento County ages
- Countywide Elderly and Disabled Service to Sacramento International Airport and the Sacramento Valley Station for every eligible County resident
- Expanded service to the non-urbanized areas of the County as service grows between Census counts
- Increased Mobility Education Services to introduce training on new modes: shared bike, shared scooter, autonomous vehicles
